Happy New Year!

I hope you are both doing well and had an excellent New Years Eve.

I just sent you both verification codes for the President and Treasurer email addresses for Eastsound Water. Please forward me those emails when you get this and I will active there for you.

I sent the verification codes to (via Gmail):

Clyde Duke <kookaburra51@hotmail.com>

Freya Hall <orcas.freya@gmail.com>

What does this mean?

We have president@eastsoundwater.org and treasurer@eastsoundwater.org email addresses out there for the current position holders. Joe and Steve used these sparingly but these could be used to received bank account info, etc. Choose how you want to use it, including if:

- You want the emails going to this alias forwarded to your personal emails
- If you want to log in and have it set up as a Gmail account

Thanks all,

Dan Burke
