To Whom It May Concern,

During the week of October 10<sup>th</sup> I was working with Dan Vierthaler and Dan Burke processing the first live payroll in Caselle. During the process Dan Vierthaler mentioned to Dan Burke that with the number of accumulated vacation hours that up to 80 could be cashed out.

At that time a separate payroll transaction took place and 80 hours of vacation accrual was paid out to Dan Burke.

With many of our customer this is a common practice based on the high number of hours the employee has accumulated.

Thank you,
